

Dear QSS Members and Friends . . .

We need your help.

.....

Queen Street Studio is a national leader in the art of transforming disused space into vibrant artistic hubs. Places that provide independent artists with opportunities, inspiration and most importantly, the space to create.

In 2005 we opened a small, beautiful rehearsal studio in Chippendale, and now, six years later we are operating the multi-disciplinary FraserStudios project on the site of the former Carlton United Brewery (housing a dance studio, a gallery and up to 12 visual arts studios) as well as an open access rehearsal studio in Darlinghurst.

We have subsidised the 200+ weeks of FREE space we have provided to over 170 resident artists through commercial hire of our facilities, government and corporate support and ongoing fundraising, but we always need more help. You can help us maintain and grow this unique and important arts organisation.

All donations to Queen Street Studio are tax deductible.

We know how precious space is for artists in Sydney and **Queen Street Studio** has done its very best for the last 6 years to provide spaces that are accessible, affordable and even FREE.

Please help us in our mission to keep providing "Space to create" to the independent arts community in Sydney by donating to our Space Fund. In 2010 our FraserStudios project won the National AbaF award for Emerging Initiative
